PERSONALISED CHRISTMAS CARDS AND CALENDARS 2019

Welcome to the 2019 Christmas Connections catalogue

Thank you for taking the time to look at our latest range of seasonal greetings cards. Once again we have not increased prices, placing us as the best value provider in the marketplace with straightforward pricing and free high quality peel and seal envelopes.

Whether you are looking for a card which features traditional images, humour, luxury finishes, fine art or want to incorporate your own image or logo onto a card we are sure you will find plenty of inspiration and ideas inside. This year we have brought lasercut designs back into the range – let us know what you think, we hope you will be as impressed as we are with the fine detail etched into these cards. We also offer a free sample service should you wish to fully appreciate the finishes of each card.

With over 110 years of personalised Christmas card history you can trust us to deliver your seasonal greetings. Our manufacturing facility offers capabilities such as embosses, foil and flitter alongside the latest digital printing technology to give you the widest selection of high quality cards in the marketplace. Produced in the UK our order turnaround from customer proof approval is under three days, you can be confident of joining the tens of thousands of satisfied customers who buy our products each year.

All of our cards can be customised to allow you to express a festive greeting unique to yourself, we can include your own photograph or logo on the front of some cards and a wide range of greetings and further options are available for the card interior. If you require bespoke services in addition to those in the catalogue please give us a call and we will do our best to accommodate.

And don't forget that each order can support a charity, our main charity partners are listed on page 45, however if you have another preferred charity you wish to support please get in touch, chances are we have an agreement in place with them.

We wish you all the best and hope you will be in touch to place an order.

Yours faithfully

Christmas
